All products are 100% natural, biodegradable, compostable and free from plastics, waxes & chemicals.
BioPlate Global is a merchant exporter — bulk supplies sourced directly from certified manufacturing partners.

Quality You Can Rely On

Our supply partners' manufacturing facilities are certified to ISO 9001 (Quality), ISO 14001 (Environmental), and ISO 45001 (Occupational Health & Safety) standards, are USDA BioPreferred certified, and are members of FIEO & APEDA.

About Us

BioPlate Global is a merchant exporter of sustainable, plastic-free tableware. We specialise exclusively in two natural product lines — **Areca Palm Leaf** plates & bowls, and **Sugarcane Bagasse** tableware — sourced in bulk from certified manufacturing partners in India and supplied to buyers worldwide.

100% Natural

Made from fallen areca palm leaves and sugarcane fibre (bagasse) — no plastics, waxes or chemical coatings.

Compostable

Fully biodegradable and compostable, breaking down naturally within weeks — a genuine alternative to single-use plastic.

Export Ready

Bulk supply, consistent quality and reliable lead times, packed and documented for international shipment.

Areca Palm Leaf Tableware

100% natural plates & bowls pressed from fallen areca palm leaves
— no trees cut, no plastics, no chemicals.

Palm Plates

Our Areca Palm Leaf Plates are disposables made from the shredded leaves of the Areca Palm Tree. No trees are chopped or cut at any stage during the process — only shredded, fallen areca leaves are used to make this product.

Biodegradable

Made from fallen leaves – no plants or trees cut down.

Organic

No glues, bonding agents, chemicals, plastics, waxes, toxins.

Natural & Attractive

Which makes it Stylish, Elegant & Unique.

Compostable

When put in a compost pit, leaf plates composts in 15-20 days

Durable

Stands up to hot foods & liquids. Easily holds liquid for 6 to 8 hrs.

Microwave & Refrigerator Safe

Can withstand 2min the microwave on high heat setting or up to 45 minutes in the oven at 300 °F.

The Lifecycle

Gather & Clean

Fallen Leaves are collected and brought to Unit. It is then cleaned and stored for use.

Heat & Press

Next, these leaves are steamed and heat pressed giving a meaningful shape

QC, Pack & Ship

Further, the plates are sorted, undergoes QC process and finally Packed and Shipped as per requirement.

Use, Enjoy & Compost

Use & enjoy our tableware, then place it in a compost pit — it returns to the earth.
